"CHAPEL: A FULLER SERVICE OF WORSHIP"

*Every day is a fresh beginning,
Every morn is the world made new.
You who are weary of sorrow and sinning,
Here is a beautiful hope for you;
A hope for me and a hope for you.*

Be patient with every one, but above all with yourself. I am glad that you make a daily new beginning; there is no better means of progress in the spiritual life than to be continually beginning afresh, and never to think that we have done enough.

THE TEN O'CLOCK EVENTS FOR THE WEEK

Tuesday - SANCTUARY

The Communion Service of this quarter will be led by Dr. Robert Meye, The Dean of The School of Theology. His message for this inspiring service will be "I Call You Friends." The Fuller Choir will also give us their last rendition of the quarter. Let us all try to be present for this service.

Wednesday - SANCTUARY

COMMUNITY DAY - ALL FACILITIES AND OFFICES WILL BE CLOSED SO THAT WE CAN WORSHIP TOGETHER.

AWARDS CONVOCATION - This is the day when the Service Awards and the Academic Awards are announced. Dr. David Allan Hubbard will be presenting the awards.

Thursday

"PRAISES" - Our student-led "Praises" Chapel under the theme "Spiritual Journeys" will continue today in the Garth. Join us today for this inspiring service.

Friday

FULLER THEOLOGICAL SEMINARY BACCALAUREATE

The Baccalaureate Service will be held again this year at the First United Methodist Church of Pasadena. Dr. Arthur Glasser will speak on "Return to the Land! The Captivity Is Over!" (musings on Daniel, Babylon and Fuller.) We will also be honored with a Solo by Dean S. Gilliland and several Faculty will participate in this inspiring service.

THERE WILL BE NO MONDAY PRAYER AND FELLOWSHIP GROUPS ON MONDAY.

MONDAY, MAY 28 WILL BE OBSERVED AS AN ALL-SEMINARY HOLIDAY IN OBSERVANCE OF MEMORIAL DAY.

Prayer Group News

ASSEMBLIES OF GOD students and staff are invited to share in a potluck dinner at the home of Russ and Bobbie Spittler. Set for the last day of classes: Friday, June 1, 6:45 P. M. Bring swim togs if you like. Call Karen Oyer (Ext. 257) to confirm your coming and to arrange for carpooling rides for the 24 miles to Claremont.

Financial Aid

You will be comforted to know that guards are being hired to patrol the campus and environs during the night hours. This plan has been in the works for some time, so it is good that our "windfall" College Work/Study funding made it possible. Late studiers will feel more at ease as they make their way to their cars or apartments or dorms.

Those of you who have turned in your Financial Aid Applications will be anxious to know how soon you will hear about next year's awards. At this time (and we are a little behind our hoped-for schedule) we are projecting very early July. There is a good reason for this!

The reason is that your Financial Aid Officer is heading for the Holyland on Saturday, May 26th and will not return until at least June 12th. The Aid Committee will commence their analyses of the applications immediately thereafter. You will be informed as soon as is possible.

A new supply of FISL applications has been ordered and should be available in the business office within a week or two. These are to be used by all students who already have FISL loans. Some banks are already accepting applications for additional loans for next year, but most will prefer that you apply beginning in July. Check your own bank for their chosen date. In addition to FISLs, applications for the new California State Student Loan Program will be here shortly. If you are a new borrower, whether or not you are a resident of California, you will be required to apply through this new program.

So, if a FISL or GSLP is in your future, come to the business office for your app. See Mark Rainey on M, T between 12:30 and 5 pm if you need some questions answered. Otherwise, see Rae Kelly or Illene Peevyhouse to simply pick up an app. Mark will not be here after exams (until the Fall) so keep that in mind.

May your summer months be the best your mind can imagine. Go in Peace and Love, rejoicing that you are definitely in His care!

Claire Wartenberg

Catalyst

The Catalyst would like to extend an enthusiastic invitation to all Fuller student, faculty, and staff to become involved in our own "I Found It" campaign. Over the past several months we have discerned a growing movement among several groups in joining our fellowship. An now you too can join this developing work. All you need to ask yourself is "What is My Sphere of Influence?" If you feel a specific call toward redeeming old shoes, shirts, books, and a vast array of other items absently left and forsaken at the Catalyst, then please join us in seeking to save the lost from the fires of gehenna! Find yours at the "Lost and Found" at the Switchboard. All items found in the Catalyst will be taken there after three days.

To the friends and associates of Ms. Elaine Lyford: All who would like to join in celebrating our friend's birthday are cordially invited to a SEMI-surprise pot-luck birthday breakfast gathering in the Catalyst, Saturday May 26, beginning at 8:30 A. M. and lasting until 10:30. Please bring fresh fruit salads, yogurt, souffles, bran muffins, and other morning delights to share with others. Fresh coffee will be provided. If you would like to, please bring a small gift for under \$1.00. Please join us in this gathering of friendship. If you have any questions, please contact Bob Pierson (794-1681). P.S. THE MOST UNUSUAL AND EXCITING CLASS OF YOUR SEMINARY CAREER IS BEING OFFERED THIS SUMMER. Just imagine, 4 or 8 hours of elective credit with such features as climbing the pyramids of EGYPT: exploring impressive Petra, JORDAN: living a month in Jerusalem, ISRAEL: and strolling among the ancient ruins of Athens and Corinth, GREECE. If this is your idea of summer school, then apply now to Fuller Seminary's Summer Study to Israel. Several applications have already been received. Couples and transfer students are welcome. Don't delay. Apply NOW. Contact Dr. Fred Bush (director) or Wink Thompson (student coordinator) for applications or additional information.

The Mission Concerns Committee, a volunteer group for Fuller students that supports any student seeking cross-cultural ministry opportunities and promotes greater mission awareness on our campus, is now looking to next year's new adventures (a missions conference for future pastors? more one-on-one contact with foreign students?). Would you be interested in being a committee member, an at-large support person, or even a prayer partner? Let us know if you're willing to support. We need you! Paul Ford - Box 719 or Brian Peterson - Box 1112.

*Building
Together*

Would you like to be in a small group during the summer for growth and fellowship? Possibly you would decide to minister (as a team) in some capacity to the community, non-Christian friends, etc. Possibilities for fun activities, significant inner growth, community-building and ministry are UNLIMITED.

If you are interested, please fill in the form below and drop in Box 951 THIS WEEK.

THANK YOU. Susan Highleyman

Do you remember your first days in Pasadena? (Those days before you realized there were mountains back there?) Your first days at Fuller Seminary, when you wondered where the books were in the library? Or when you were looking at stange brand names in strange grocery stores, wishing someone would tell you which was which?

You can help make life easier for an entering Fuller student or couple. If you fill out the form in last week's SEMI, or turn your name in to Libbie Patterson, Box 117 or Ext. 167, we will give you the name of a new student. If you drop them a note during the summer, welcoming them and offering your friendship when they arrive on campus, that can make a big difference to someone new. You may also indicate if you would have room to house someone new while they are looking for housing.

This is an easy and tangible way to reach out to a new neighbor...and it might be fun for you, too!

Student Accounts and Loans

Graduating students, and all students not planning to return in the fall, please pay particular attention to the information on the pink brochure at the back of this week's SEMI. All your accounts (tuition and bookstore) must be cleared, and your loans set up for repayment before any grades, transcripts, or diplomas will be released. So, don't delay come into the business office now for your exit interview. See Illene Peevyhouse or Rhonda Haley about your accounts and Rae Kelly about your laons. Remember, appointments can be arranged, if you are running a tight schedule, by calling Ext. 195, 123, or 269.

Can you believe it? Summer registration (June 18) is rapidly approaching. Once again, we will be adhering to the policy set forth on the back of the pink brochure attached to this week's SEMI. If you have the slightest doubt as to whether your student account will meet the specifications, and you are planning to take summer courses, you must contact Illene Peevyhouse in the Business Office prior to the day of registration. Also, plan on bringing your receipts for payments made from May on when you register, to avoid any problems or questions that may arise.

It will also be necessary for students to have their Bookstore account current. If your account is over \$75 or 60 days overdue, you will not be allowed to register for Summer classes. If you have any questions regarding your Bookstore account, please contact Cheryl prior to registration. (It will also help to eliminate hassels if you will bring your receipts from June to Registration.)

How to get rid of stuff you can't take with you. If you are moving and have things to give away, an excellent and appropriate place to do this is the Salvation Army on Colorado Blvd. A place that is not appropriate is the "Blue Room" on campus. This room is set up with donations outside the student community. Thanks for your consideration.

As you may know a person can get a ticket for JAY-WALKING in California. I've often wondered if this would apply when crossing Union at Oakland to go on the sidewalk leading to UCB and the Methodist Church because there is no painted crosswalk as there is on the side of the Presbyterian Church. I called a Pasadena traffic engineer who explained that it is legal to cross there because the pedestrian is crossing at a corner. It's only when one crosses in the middle of the block that makes it illegal. A painted crosswalk is not needed to make it legal. As soon as the pedestrian steps off the curb, the cars are required to stop. Harold Otterlei.

Congratulations to Mike and Nickie Sargeant on the birth of Morgan Jennifer born on May 19. She weighed 8 lbs. and was 20" long.
